Probe Explosion In City Hall At Philadelphia

Blast Rips Through Locker Section In Detective Headquarters Today

CAUSE OF BLAST NOT DETERMINED (BULLETIN)

PHILADELPHIA, Aug. 22.—(INS)—Two men were reported injured today when an explosion wrecked a locker room of detective headquarters in Philadelphia's city hall.

Assistant Superintendent of Police Guy Parson's office said no "official" statement as to the cause of the blast would be made until the debris was thoroughly sifted, but added:

Acid Explodes?

"We believe, from information we have received so far, that a bottle of sublimic acid in one of the men's lockers, blew up in some way."

He brushed aside entirely reports that a bomb had been rolled under the iron grille door of the room under the lockers, in an attempt to destroy records of narcotics or subversive activities.

Fire officials refused to confirm reports that a confiscated "bomb" had caused the blast, which apparently originated in a row of lockers and metal filing cabinets.

Partitions Shattered

Most of the employees of the bureau were preparing for lunch, and were not in the room when the explosion tore loose.

Glass partitions, which divide the large rooms into smaller sections were shattered, and papers and records were tossed about the headquarters.

The city's highest police and fire officials raced from their quarters

Pa Newc Observes

For the first time in years candles and flashlights were impressed into service in many homes in New Castle last night, when the storms of the night cut off electricity for a time in the homes.

Driving back into the city last night shortly after the electric power went off on the north hill, one driver, not realizing the situation when he saw a householder out casting a flashlight around his yard, said, "He must be looking for fishing worms."

Getting ready for the Orange crate derby on Labor Day, one youngster was seen towing his partially completed miniature car over Washington street near Court street. The cleverly designed auto needed a coat of paint and a steering gear to make it complete. A self appointed guard of boys was moving along with the derby car, to make sure it arrived safely at its destination.

An unusually large collection of bugs and insects has been noted the past few days surrounding the various illuminated signs in the downtown district. The thousands of bugs seemingly go in for neon signs, which do not create as much heat as other types of signs.

Half the city was without lighting facilities during height of the heavy storm late Thursday evening. Residents in the north and south sections of the city sat in darkness for considerable time, while East Siders enjoyed their electricity.

Bean picking is under way on many produce farms throughout the area. An abundance of beans is noted in many areas despite the hot weather. Pickers are not as prolific as the growers would like to see.

Residents of West Washington street, in the vicinity of West Park way and Greenwood avenue, are hopeful that something will be done soon to relieve the confusion due to a lack of direction signs at that point. Motorists come up West

Lightning Strikes Rose Point Church

Rev. Melville Martin, pastor of the Covenant Church at Rose Point, reported this morning that during the height of Thursday evening's storm, lightning struck the church causing considerable damage.

The bolt ripped off the first chimney on the building, tore a gaping hole in the roof and tore plaster off in the auditorium and one Sunday school room. One light switch was also blown out by the bolt of lightning.

Fortunately, no fire resulted, but the damage will amount to several hundred dollars. The loss was covered by insurance and as soon as adjustments are made the repairs will get under way.

Start Erection Of One Part Of Steel Bleachers

First Steel Going Up At Taggart Stadium—Work Delayed By Strike In Pittsburgh

Steel is rising on Taggart stadium today and before the football season opens, one-third of the new steel bleachers will be in place ready for occupancy. The work is being done by the Pittsburgh-Des Moines steel company. Only a protracted strike in the plant several months ago prevented the erection of all the steel before school opens.

The upright steel supports are erected the full length of the stand, and the supporting beams which form a triangle with the uprights were expected to be in place by tonight. With good weather it is expected the steel will be in place inside of ten days.

When the stand is entirely completed the seating capacity will be about 6700. The part erected before the football season will seat about 2200.

U.S. Commander In Korea Reports Revolt Smashed

(BULLETIN)

SEOUL (KOREA), Aug. 22.—(INS)—America's top commander in South Korea announced today that a planned revolution, inspired in part by "direction" from Russian-held North Korea, has been crushed.

Disclosure of the abortive conspiracy was made immediately after a Russian spokesman in Seoul charged that "this tense moment" had been chosen for what he termed "mass arrests" of leftist leaders and "pogroms" against radical papers in the American occupation zone.

The Americans, in turn, accused the Soviet delegation to the joint (Continued on Page Two)

STORM CAUSES TWO FIRE CALLS

Only Small Damage Caused By Lightning During Severe Storm Thursday Evening

Although Thursday evening's electrical and rain storm was one of the most severe of the summer, only a small amount of damage from lightning was reported by Assistant Chief George W. Harper.

At 5:30 p. m., firemen were called to the home of William Russo, 808 S. Mercer street, by an alarm from box 85, when lightning followed the electric lines into the house, causing damage of about \$50.

At 7:30 o'clock, just at the height of the second storm, an electric wire was reported down at 1509 Highland avenue and box 29 was put on the indicator at Central station. However, box 25 came in at several outlying stations, and five companies were called into action as a result. Pennsylvania Power company employees took care of the situation.

RIOTING IN EGYPT

CAIRO, Aug. 22.—(INS)—Anti-British rioting spread to Egypt today.

Forty persons, including 10 mounted policemen, were reported injured in a demonstration in the Elzhar district of Cairo. Police fired on the demonstrators and arrested many.

Rioting also was reported in Alexandria.

British Farmers Sell Own Wares

Their produce rejected by wholesalers because of the price, farmers from Sussex, England, sell tomatoes direct to customers at a market in Croydon. Fourteen of the farmers set up their stands in the arcade of a big store rather than plough the food back into the land.

Smithsonian Institute Calmness Badly Broken

WASHINGTON, Aug. 22.—(INS)—The noisiest and most embattled spot in the nation's capital today, believe it or not, is the usually hushed and sacrosanct main hall of the dignified Smithsonian Institute building on Constitution avenue.

The joint is really jumping with sound effects that approximate the more explosive features of doomsday combined with Allied wartime bombings of European and Pacific targets.

The clamor pays off better than muted culture, too, because the hall is now drawing a guaranteed audience of more than 3,000 visitors a day on the average—predominantly made up of eager small-fry—which probably represents its all-time top box office appeal.

Local Artillery Units To Break Camp Tonight

New Castle's 229th Field Artillery Battalion of the Pennsylvania National Guard will break camp today and arrive here Saturday morning.

According to Public Relations Officer Capt. Eugene A. Kirker, plans to call for the unit to depart from Indian town Gap at approximately 8:45 o'clock tonight and pull into New Castle at 8:45 a. m. tomorrow.

The gunmen will then take their equipment to the armory, clean and store it, and the first encampment of the 28th Division will be over for the local members.

Although things did not run as smoothly as they should have, Commanding Officer Lt. Col. George F. Mitchell feels that much was learned during the two-week maneuvers, it is disclosed.

The majority of the 229th men had never seen a field gun, let alone fire one, but the gun crews, communication units and the fire direction men did a creditable job of keeping their weapons on the target while the division was on the range.

Hess Is Installed As K. Of P. Official

ALTOONA, Pa., Aug. 22.—(INS)—New officers of the Pennsylvania grand lodge, Knights of Pythias, were installed Thursday at the conclusion of a five day convention in Altoona.

They were: Grand Chancellor, Selley P. Campman; of Erie; Grand Vice Chancellor, Howard M. Rectanus; of Pittsburgh; Grand Prelate, George S. Rugh; of Greensburg; Grand Keeper of Records and Seal, Harvey P. Trumbore; of Bethlehem; Grand Master of Exchequer, Harry W. Fox; of Johnstown; Grand Master of Arms, Robert H. Cudley; of Hickory; Grand Inner Guard, Edward A. Stoll; of Leechburg; and Outer Guard, A. W. Gordon; of McKees Rocks; Grand Trustee, Samuel Glick; of McKeesport; and Supreme Representative, C. W. Herman Hess, of New Castle.

Security Council May Dispose Of Case Of Egypt

LAKE SUCCESS, N. Y., Aug. 22.—(INS)—The U. N. security council is virtually certain to dispose of Egypt's case today by recommending resumed Anglo-Egyptian negotiations while the 11-nation body will strive equally hard to find a satisfactory compromise in the Indonesian conflict.

Both subjects are on the council's agenda for today, with a strong likelihood that the afternoon session will approve a Brazilian motion for resumption of direct negotiations between Britain and Egypt.

PITTSBURGH, Aug. 22.—(INS)—The Allegheny County morgue reported today that Wayne Nuaney, 17, of Glenwillard, was killed last night when the jeep he was driving overturned on a highway near Pittsburgh.

East And West Climax Nearing Diplomats Fear

Outstanding Statesmanship Needed To Master Growing Situation

MAY COME IN U. N. GENERAL ASSEMBLY

By JOHN A. REICHMANN (U. N. Staff Correspondent)

WASHINGTON, Aug. 22.—Rapidly deteriorating relations between Russia and the western world today convinced diplomats in Washington that an international climax is approaching which can be mastered only by outstanding statesmanship.

Informed officials view the Russian decision to veto United Nations action on the Balkan question as the most important development of recent days. But this, they feel, is but a part of a general pattern which indicates an early showdown with the Soviet Union and her satellite states.

May Come Sept. 15

Some observers feel that the showdown will come at the Sept. 15 session of the U. N. General Assembly. At that time the United States, in desperation, will bring up the Greek case. Its only hope will be to rally the outside world's public opinion on its side as against Russia's attitude.

Most informed officials are frankly pessimistic about the outcome. They feel that there is a fair chance that Russia might withdraw from the United Nations if severely censured.

Some sources doubted that Russia would take such a step at (Continued on Page Two)

Surprise Move By Australia

Requests Matter Of Big Five Veto Be Placed On U. N. Agenda

(BULLETIN)

LAKE SUCCESS, N. Y., Aug. 22.—(INS)—Australia in a surprise move at the United Nations today placed the question of the Big Five veto and of the admission of new members on the agenda of the general assembly.

W. R. Hodgson, Australian delegate to Lake Success, beat today's eleven o'clock deadline on listing assembly items by formally delivering a lettered request from his government to secretary-general Trygve Lie.

The Australian request also asks that the assembly consider the greater activation and use by U. N. of the International Court of Justice.

Hodgson's letter came on the heels of the eight consecutive vetoes wielded by the Soviet Union in the Security Council within four weeks, running the total over one year up to eighteen.

Miss America State Candidate Has Been Named

Williamsport Girl Named As 'Miss Pennsylvania' For Atlantic City Competition

HARRISBURG, Aug. 22.—(INS)—Eighteen-year-old Dorothy Gresh, Williamsport high school graduate, today held the title of "Miss Pennsylvania of 1947."

The willow brunette was voted the prettiest and most talented of 27 young women competing for the crown at Harrisburg last night. She will represent the state in the Miss America contest in Atlantic City next month.

Miss Gresh sang "Lover" during the talent demonstration. Contestants paraded past judges in both bathing suits and evening gowns.

Miss Debora Pierce, Avondale R. D., a blonde athlete, placed second. The two girls tied for first place, but Miss Gresh won out in a second balloting by the judging panel of eight men and a woman.

Declares Weather Not Getting Warmer Yearly

By WILLIAM KERWIN (U. N. Staff Correspondent)

WASHINGTON, Aug. 22.—The old, time-honored remark that the weather is getting warmer every year was roundly denounced today by the U. S. weather bureau which blames the misconception on "human nature."

G. C. Bristow, a bureau climatic expert, declared that the weather is "just about the same as it always has been," and said the whole thing stems from "childhood memories."

Bristow explained that a child pays more attention to weather and particularly notes exceptionally cold winters and devastating storms. These memories are carried through life, he said, and are frequently used as a comparison with current weather conditions, which isn't exactly fair as Bristow sees it.

Describing weather as a fluctuating affair, he asserted that any real change in climate occurs only after "thousands of years." He added: "For example, we know that Central Asia at one time was much more moist than it is now."

And to prove that the weather isn't getting any warmer, Bristow pointed to the recent winter in England—coldest on record.

Bristow said that this was caused by a change in prevailing winds coming into England from the west. (Continued on Page Two)

Double Header Rain Storm Strikes County

The Storm King broke with all his fury over Lawrence county Thursday night. A double header rain storm that started near seven o'clock drenched the county with a heavy rain. A half hour intermission and the storm broke again, this time with jagged flashes of lightning and deep, reverberating peals of thunder. Both of them were preceded about five thirty with a rehearsal rain of no large proportions.

The two rain storms were as heavy as any the county has had this summer. The humid weather of the past two weeks seemed to set the stage for the electrical display that accompanied the rain and the sky looked like some giant motion picture as the lightning played in forked tongues and now showing a vast area of diffused light in the distance.

A check of the county today reveals no serious damage, despite the electrical storm and the heavy rain. Here and there some branches were broken, some light lines were put out, but no heavy property damage and no personal injuries were reported.

Despite the heavy rain and the electrical storm which was thought would clear the static out of the air, today's weather is humid and sticky, with apparently the promise more rain.

County Committee Picnic Dinner At New Wilmington On Thursday Night

NO SPEECHES ARE MADE AT PICNIC

There being no record in the office of permanent registration as to the political faith of the weatherman, we can't say whether or not he is a Republican. But if he is a Republican he is not in the good graces of the Lawrence County Republican committee nor of the party members.

Thursday night's picnic dinner of the party, designed to honor the county committee was a sample of what the weatherman can do in the way of rain when he puts his mind to it. New Wilmington, the scene of the picnic was swept with two of the heaviest rainstorms of the season, one just before the picnic started and one just after it finished.

Thirty-Five Hurt As Part Of Theatre Ceiling Collapses

Unusual Accident Occurs In Theatre At Meadville Thursday Night

MEADVILLE, Pa., Aug. 22.—(INS)—City and county officials today were investigating the collapse of the ceiling in a crowded Meadville theater that injured 35 persons last night, two of them critically.

The accident occurred with such suddenness that none in the crowd of 1000 in the Park Theater had an opportunity to escape. Manager Leo Conrad of the theater said a steel-shed section about 20x25 feet collapsed without warning on the audience 60 feet below.

Conrad said there was little panic after the accident.

In addition to the 35 persons who received hospital treatment, a number of others were treated for minor injuries at the scene.

Critically injured were Joseph Maggio, 21, who suffered a crushed chest, and Ronald Ross, 15, a back injury. Both are of Meadville.

Officials said the theater had been remodelled only last year at a cost of \$87,000.

New Taft-Hartley Labor Law Now In Full Effect

Measure Enacted By Congress Over President's Veto Became Effective Today

MANY COURT TESTS OF LAW FORESEEN

By PHILLIPS J. PECK (U. N. Staff Correspondent)

WASHINGTON, Aug. 22.—The new Taft-Hartley labor law became fully effective today with sweeping restrictions imposed on the activities of unions representing 15,000,000 workers.

Enacted by Congress to promote industrial peace, final provisions of the statute went into operation at 12:01 a. m. this morning—60 days after its passage over President Truman's veto.

Mr. Truman let the occasion pass without comment, telling his news conference that he had said all he could in denouncing the measure as unworkable while it was before Congress.

AFL, CIO and independent unions have branded the statute "a slave law" while management generally welcomed it as correcting abuses of the 12-year-old Wagner Act. The latter gave workers the legal right to join unions and bargain collectively.

Many provisions of the Taft-Hartley act are headed for tests in the Federal courts and organized labor promises to make it a lead. (Continued on Page Two)

Senator Bilbo Taken By Death

Filibustering Senator Dies In New Orleans From Effects Of Cancer

NEW ORLEANS, Aug. 22.—(INS)—The body of Sen. Theodore G. Bilbo was to be moved at noon today from New Orleans to his "Dream House" at Poplarville, Miss., where it will lie in state.

No services were planned in New Orleans where the 69-year-old unseated Democratic senator died in Foundation hospital.

Last rights for the stormy champion of white supremacy were planned amid widespread speculation as to his successor.

Some political observers believed that Governor Fielding H. Wright of Mississippi might appoint A. B. Friend, Bilbo's campaign manager and personal confidant, for the interim term.

Others predicted that Wright might name himself.

The governor had no comment.

Mississippi Attorney General Greck L. Rice said the law does not require appointment of a successor since congress is not in session.

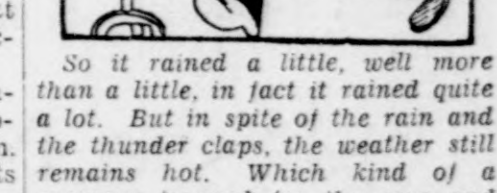

If the post is temporarily left vacant, a successor would be chosen at a special election held in conjunction with the 1948 general election.

Funeral services for Bilbo will be held at the Junior Grove Baptist church in Poplarville tomorrow afternoon. The Rev. Dr. B. W. Nix, former pastor of the church, and Rev. Wade Smith, the present pastor, will officiate.

Pallbearers will be selected from the Mississippi National Guard.

The filibustering senator died at 2:05 p. m. (CDT) yesterday from the effects of cancer of the jaw and mouth. Robert Carney, assistant hospital director, said death came quietly.

So it rained a little, well more than a little, in fact it rained quite a lot. But in spite of the rain and the thunder claps, the weather still remains hot. Which kind of a program is good for the corn and the taters are perking up fine, moisture and sun and a little work, and the weather is eighty-nine. So don't be quibbling over the heat of the rain when it falls from on high, you'll find the average is mighty good, dampish or dark or dry.

See Delay In Japan Peace Treaty Parley

WASHINGTON, Aug. 22.—(INS)—State department spokesman Lincoln White said Thursday that the United States has abandoned hopes that the first meeting of the Japanese peace treaty will be held before the United Nations general assembly meets in September.

The delay in the talks on the Japanese treaty was said to be due to Russian unwillingness to go along with the U. S. procedure.

However, it also was felt that any September date for the conference would be too close to the scheduled British commonwealth conference on the Japanese treaty in Canberra, Australia Aug. 26.

As a result, it is now estimated that the powers interested in the treaty may not get together before late fall or next winter.

The substance of the replies of all countries excepting Russia to the American proposal for a peace conference on the technical level also was made public.

The replies indicated that all the nations except the British commonwealth states favored an early meeting. China alone reserved the right to reconsider the question of voting procedure.

The Chinese also proposed that at least three of the four leading Far Eastern powers should have to vote affirmatively on any provision.

Bursting into the open, the controversy over the arrest of the alleged Korean terrorists added to tension already generated by the seizure in Soviet-held North Korea of three American soldiers who have been held by the Russians for the past ten days.

For the past ten days, what he called a "widespread" insurrectionary plot was revealed by Lt. Gen. John R. Hodge who charged that some of the arrested persons belonged to groups acting under "directions from North Korea".

DECLARES WEATHER NOT GETTING WARMER YEARLY

(Continued from Page One)

Sees Possibilities

The shirt-sleeved expert, sweating in Washington's 90 degree heat, talked of possible changes in climate should the icy glaciers of the north and south poles continue melting to the point of disintegration.

Bristow said that if the glaciers disappeared the weather to the north would be "much milder" and would open the land to possible agricultural development.

Tropical areas, however, would not be affected since the climate there is "as warm as it will ever get". He said northern temperatures never change tropical weather.

But the chances of complete disappearance of the glaciers seem remote. Bristow said that "ice ages have occurred in history" and more than likely glaciers now melting will begin to enlarge sooner or later.

But if the unexpected happens there's no need to worry, it'll take several thousand years to melt the ice mountains.

present, particularly if her seeming program of expansionism can be carried on without a halt.

Chief Concern

However, the record of the state department over past months makes clear that the Soviet Union's foreign policy is the chief concern of those handling the nation's external affairs.

Geographically, disputes exist all along the border of the Russian domain from the Baltic to the Pacific. In each case any settlement has been stymied mostly in the state department viewpoint by Russia's obdurate stand.

It is this accumulation of evidence of Russia's expansionist policy which inspired the Truman doctrine and the Marshall plan.

However, many observers believe that these countermeasures against the suppression of what he called a "widespread" insurrectionary plot was revealed by Lt. Gen. John R. Hodge who charged that some of the arrested persons belonged to groups acting under "directions from North Korea".

GRANT PERMITS

Frank W. Turner today received the city's permission to build a kitchen at a cost of \$1,500 at 1208 Wilmington avenue. Leo Fornara received a sanction to build a fence costing \$20, at 613 South Mill street.

Deaths Of The Day

Thomas W. Johnston

Thomas W. Johnston, aged 88, 363 East Neshannock avenue, New Wilmington, died at the home of his daughter, Mrs. N. J. Anderson in New Wilmington, at 3 p. m. Thursday, following a long illness.

Born in June 15, 1859, he was the son of the late John and Eleanor Cox Johnston. He was a retired farmer by occupation and had been married to Margaret Ellen Miller Johnston for the past 64 years. His wife survives.

Mr. Johnston was a member of the Methodist church of New Wilmington.

In addition to his wife, he is survived by four daughters: Margaret J. Grossman of Butler; Mrs. W. S. Uber of Waimo; Mrs. W. R. Moore, R. D. 1, New Wilmington; Mrs. N. J. Anderson, New Wilmington; one son, Floyd J. Johnston of Butler; and one brother, John A. Johnston of Clearfield county. A daughter, Marie Forney preceded him in death.

Funeral arrangements are incomplete, but the body will be removed from the Sharp funeral home in New Wilmington, to the residence of his daughter, Mrs. N. J. Anderson, 363 East Neshannock avenue, New Wilmington, Saturday morning, where friends may call at any time.

Frank W. Wallace

Frank W. Wallace died this morning at 1:30 o'clock at his residence, 161 West Madison avenue, following an illness of six months. Mr. Wallace, a well known mortician, was a son of the late William E. and Clara D. Smiley Wallace. He was born in New Castle, where he lived his entire life.

In early life the deceased was employed as an engineer on the Pennsylvania Railroad. Later he became associated with the Wallace Brothers Lumber company. In 1910 Mr. Wallace organized the Mahoning Undertaking company, Inc., of which he was president, continuing in this profession until the time of his death.

He was a member of the Mahoning Presbyterian church, Mahoning Lodge No. 243, F. and A. M., Valley of New Castle Consistory, A. S. R., and the Shrine, all Masonic organizations of New Castle, Westfield grange and Lawrence County Funeral Directors Association.

Survivors include two sons, Elder R. and William W. Wallace, both of New Castle; three sisters, Mrs. Margaret Parrott, Beaver Falls, Mrs. Jenn Wallace and Mrs. Eleanor McKennan, both of Pittsburgh; a brother, William R. (Dick) Wallace, Darwin, Calif.; three grandchildren and one great-grandchild.

His wife, Mrs. Rena Rhodes Wallace, preceded him in death August 22, 1941.

Funeral services will be conducted Monday afternoon at 2:30 o'clock, E. S. T., from the late residence, 101 West Madison avenue. Interment will take place in Oak Park cemetery.

Friends will be received at the home Saturday and Sunday evenings from 7 to 9 o'clock and Sunday afternoon from 2 to 4 o'clock.

Mrs. William E. Mills

Mrs. Lydia Keast Mills died Thursday afternoon at 4:15 o'clock in the Jameson Memorial hospital as the result of a cerebral hemorrhage.

Mrs. Mills resided for many years in Rose Hill, N. Y. Upon the death of her husband, William E. Mills, in October, 1946, she came to New Castle to reside with her sister, Mrs. Charles McCullough, and nephew, Harold Baer, of 11 East Wallace avenue.

In addition to Mrs. McCullough the deceased leaves another sister, Mrs. John Vesich, of Cleveland, O.

Funeral services will be conducted Saturday afternoon at 3:30 o'clock from the Hodge Funeral Home, 107 East Wallace avenue, with Rev. George R. D. Braun, pastor of Epworth Methodist church, officiating. Interment will take place in Greenwood cemetery.

Friends will be received at the funeral home this evening from 7 to 9 o'clock and any time on Saturday until 3:30 o'clock.

Mrs. Hayes Funeral

Funeral services for the late Mrs. J. P. Hayes of Minneapolis, Minn., were conducted Thursday afternoon at two o'clock from the St. John's

Lutheran church, Neshannock avenue and North street, with Rev. John Miller officiating.

State Guard Camp Nears Conclusion

Most Of Troops At Indiantown Gap To Leave For Home Tonight

INDIANTOWN, Pa., Aug. 22.—(INS)—Six thousand troops of the Pennsylvania National Guard stood final inspection today preparatory to breaking their two weeks long encampment at the Indiantown Gap military reservation.

Guardsmen gave the last presentation of arms before checking in equipment during a farewell review before Brig. Gen. Daniel B. Strickler.

All troops from western Pennsylvania, comprising nearly half of the PNG complement, were scheduled to entrain for home armories this evening.

The 112th Infantry Regiment, Headquarters at Erie, will be the first to depart shortly after noon. It will be followed by the 110th regiment, located at Washington.

Eastern and central Pennsylvania contingents were slated to begin leaving at dawn tomorrow. The 111th Regimental Combat Team, embracing the Philadelphia area, will be on the last train pulling out of mountain fringed Indiantown.

provide transmission capacity for the output of the new generating unit at the power plant at West Pittsburg; it will also increase the capacity of the facilities for the supply of power from interconnected power systems in Ohio.

Installation of the second generating unit at the power plant is rapidly nearing completion. It is expected to turn over early in the fall and will shortly thereafter be placed in firm operation to supplement the present generating capacity of the plant. The plant will then have generating capacity of 88,000 kilowatts.

NEW TAFT-HARTLEY LABOR LAW NOW IN FULL EFFECT

(Continued from Page One)

ing political issue of the 1948 campaign. Unions heads have called for the defeat of its congressional sponsors and repeal of the law.

Provisions Of Law

Provisions of the law which went into effect today do these things:

Establish unfair labor practices on the part of unions. Heretofore only employers faced such charges.

Prohibit jurisdictional strikes, boycotts and strikes for union recognition.

Bar the closed shop, union "featherbedding" work rules, excessive initiation fees and expulsion of members for any reason except non-payment of dues.

Require 60 days notice on termination or modification of existing union-employer contracts.

Provide for elections by the National Labor Relations board to determine whether employees want a union shop.

Authorize 30 per cent or more of the workers in a plant to petition for decertification of a union as their bargaining agent.

Allow employers to petition for bargaining elections.

Financial Statements Needed

Require unions to file financial statements with the secretary of labor and their officers to sign affidavits disavowing communism before they can use the machinery of the NLRB.

Enable the NLRB to seek court injunctions to enforce its orders.

A new federal mediation service also went into operation today, supplanting the 34-year-old U. S. Conciliation Service of the department of labor.

Cyrus Ching, U. S. Rubber Co. executive, will take over as director of the new agency early next month. In the interim it will be headed by Howard T. Colvin, former associate director of the conciliation service.

Five key officials of the latter service were requested to resign by Colvin, acting on orders of Ching, and the much criticized program division was virtually abolished.

Other Provisions Effective

Some other provisions of the Taft-Hartley statute went into effect two months ago on its enactment. These made unions liable to damage suits for breach of contract; curbed union political expenditures; restricted union welfare funds, and authorized President Truman to combat national emergency strikes with court injunctions.

CIO officials have indicated that their unions will ignore the requirements for filing financial statements and non-communist affidavits and try to operate without NLRB help. AFL unions may comply with the law, however.

Some AFL unions already have met the filing requirements along

by institute officials who decided it would be a little too rugged for the nerves of customers and custodians alike.

The Air Forces, however, managed to include a silent and hitherto un-exhibited Pratt and Whitney engine in the show, along with a turbo jet engine and a super-charger.

NEW ORLEANS, Aug. 22.—(INS)—A tropical storm, bringing winds up to 42 miles per hour, moved inland today about 25 miles west of Grand Isle, La.

Winds of 43 miles per hour were reported at Grand Isle.

WEDDING DATE SET; SHOWERS TENDERED

Mr. and Mrs. Jack Murphy of the Youngstown road announce the forthcoming marriage of their daughter, Donna Jean Murphy, and Richard Grist, son of Mr. and Mrs. Michael Grist of Bessemer. The wedding will be solemnized at an open church wedding to take place Saturday, August 30, in the First U. P. church at 11 o'clock in the morning.

Rev. J. C. Murphy of Youngstown, uncle of the bride-elect, is to officiate and will be assisted by Dr. S. E. Irvine, pastor of the church.

Miss Murphy has asked her sister, Doris Murphy, to be her maid of honor, and another sister Joann to attend her as bridesmaid. Mr. Grist, who attends Iowa State college, will have Marty Grothe of Des Moines, Iowa, as best man and has asked Paul Grist and Elvin Murphy to usher.

Miss Evelyn Murphy and Mrs. James E. Minick entertained jointly at the latter's home in Walpole on a recent evening for the prospective bride.

Cards and other games offered entertainment during the evening with prizes going to the Misses Suzanne Virtue, Margaret Black and Margaret Sanders.

A delicious lunch was served by candlelight and the evening was climaxed by the presentation of an array of gifts arranged beneath a colorful parasol.

On Wednesday afternoon the girls of Sunny Acres were entertained by Mrs. Elvina Messner at a miscellaneous shower for the bride-elect at the Murphy cottage on the Neshannock. An afternoon picnic was enjoyed by the group and Miss Murphy received a number of lovely gifts.

N. N. Club To Meet

On September 2, the N. N. club will meet in the home of Mrs. Wallace McKee, Jackson avenue.

LEAH DAVIS AGAIN HONORED AT SHOWER

Girls of the office of the Dollar Savings Association were entertained at a shower in honor of Miss Leah Davis in the home of Miss Elaine Potter, 201 Hillcrest avenue, Thursday evening.

In addition, the shower event served as a means of revealing the date chosen by Miss Potter for her wedding.

An informal social time was enjoyed during the time that the electric power was off as a result of the storm and afterward the guest of honor was presented with an array of lovely gifts of a miscellaneous nature.

When they were invited to the dining room where a lunch was served, guests found concealed in their placecards the announcement "October 11". It is on this date that Miss Potter, daughter of Mr. and Mrs. J. Orville Potter, will be married to Zach Allerton, Jr., son of Mr. and Mrs. Zach Allerton, of 114 West Leasure avenue.

Miss Davis is a bride-elect of Tuesday, August 26. She is the daughter of Mr. and Mrs. Ralph Davis, of 307 Norwood avenue. Her fiancé is William C. Rowland, son of David J. Rowland, of 508 Neshannock Boulevard.

B. & O. VETERANS PICNIC AT PARK

Members of the B. and O. Veterans gathered Wednesday evening at Cascade Park for a delightful picnic dinner. Placements were arranged for 100 guests at prettily decorated tables.

Following the serving of a bountiful meal various games were enjoyed.

Special guests included Terminal Trainmaster and Mrs. S. A. O'Neill, Rosemary O'Neill and Miss Margaret Reidy, all of Akron, O., and Mrs. Mabel Heller, Chicago, Ill. Gus Hammers, an 87-year-old charter member of the veterans, of this city, was also present.

Mr. and Mrs. J. D. Thompson, Mr. and Mrs. Elmer Burdge, Mr. and Mrs. William Ayers, Mr. and Mrs. Oscar Murphy, Mr. and Mrs. Ray Walker, Mr. and Mrs. Carl Jewell and Mrs. Sara Deegan composed the committee of arrangements. Edward Scanlon was coffee chairman.

Birthday Celebrated

In celebration of her birthday Mrs. Adolph DeGennaro, of Wilcox avenue, was hostess Thursday evening to members of the H. G. L. club and a number of special guests.

After the electric lights came back on, games and cards were in play as diversion for the group of about 30. Door prize was won by Mrs. Rose Mancino.

A birthday cake was a feature of the refreshments. Aides in serving were Mrs. Marie Dellaverson, Mrs. Rose Lattavo, and the Misses Rose Marie and Mary Anne DeGennaro, and Vivian Ketola.

Out-of-town guests were Mrs. Katherine Otto of Cleveland, and Mrs. Fannie DeGennaro, of Rochester, N. Y.

D. O. S. Club Meets

Members of the D. O. S. club met at the home of Mrs. Rose Regna, 1024 Rebekah street, on Thursday evening. The meeting was in the form of a wieners roast, and the evening was spent socially.

It was decided to hold a banquet, with the husbands as guests, on Saturday evening, August 23, at a local tea room.

Special guests were Mrs. Betty Regna, Mrs. Joseph Billiani, Mrs. Andy Billiani, Mrs. Jacqueline George and Agnes Pascarella.

The next regular meeting will be held September 4 at the home of Virginia Scanlon, Dushane street.

Conner Reunion

Descendants of Mrs. Lizzie Conner and the late Frank Conner gathered at Rambler's Rest on August 16, for their 13th annual reunion. Meals were served at noon and in the evening. The day was spent in games, swimming, races and other entertainment.

The program was in charge of Charles Withers, Mrs. William Ayers, and Mrs. Frank Reed. Prizes went to Mrs. Clayton Conner, Mrs. Leroy Conner, Frank Conner and Lee Conner.

In 1948, the event will take place on the third Saturday of August.

1926 S. H. F. Club Luncheon
1926 S. H. F. club was entertained for luncheon in the home of Mrs. Leonard Thomas, 716 Ray street, at noon Thursday. Later games were in play with prizes going to Mrs. James Claire and Mrs. Elizabeth Miller.

Door prize was won by Mrs. Eugene Mullen.

Next meeting will be September 4 in the home of Mrs. Thomas Conner, 1017 Maryland avenue.

Jewish National Council Seeks To Get U.N. Action

Appeals For Action To Prevent British Deportation Of Refugees To Germany

LONDON, Aug. 22.—(INS)—The Jewish National Council met in extraordinary session in Jerusalem today and cabled an urgent appeal to the United Nations to prevent British deportation of 4,500 refugees to Germany.

The action constituted a last-minute attempt seeking intervention to stave off the transfer of the Jewish refugees from Port De Bouc, France, to Hamburg, Germany.

The appeal rejection by the Jewish refugees, who were denied entry to Palestine, of a British ultimatum that they disembark in France or face trans-shipment to Germany.

The illegal immigrants turned back from the shores of the Holy Land were defiant to the last when they were told that they either must return to shore in France, where they embarked for Palestine, or be sent to Germany.

They have remained aboard three British transports anchored off Port De Bouc, France, since July 29 when they were returned from Haifa after being transferred from the immigrant ship "Exodus 1947".

Proposes New Program For D.P. Admittances Here

WASHINGTON, Aug. 22.—(INS)—Sen. Young (R) N. D., proposed today that displaced Europeans be admitted to United States only when their occupational skills are needed, and if relatives or friends stand financially responsible for their future.

Young advocated the compromise in an interview as the War Relocation Authority's subcommittee held the groundwork for hearings late this year on President Truman's request that Congress lower the bars to let 400,000 war-displaced Europeans find homes in the United States.

Highway Department Painting Bridges

Employees of the State Highway Department, working out of the local office, are engaged in painting the bridges of the county at the present time. Work has already begun on the Mt. Jackson road bridge at Mahoningtown.

The work of painting the West Washington street bridge will be

started the first of next week, it is reported by Alfred Martin, county highway superintendent. Three coats of paint are being applied to the bridges, a base coat, a sand coat and finally the aluminum coat. The work will enhance the appearance of the bridges very much.

Heavy rains of Thursday evening curtailed slightly the work of some of the outdoor projects this morning, particularly the King's Chapel road work. After a short delay the men were able to proceed with the work.

Court House Uniform Fee Bill Effective Sept. 1

Rates For Recording Instruments To Be Same In Every County

OTHER HAPPENINGS IN COURT HOUSE

September 1 will mark something new in the recording of instruments in the offices of registers and recorders in Pennsylvania. A uniform fee bill will go into effect which will put the cost of recordings on the same basis in every county in the state. Heretofore there have been a dozen different fees for the same service, depending upon the county.

Lawrence county has been much below many of the other counties in these fees and the new fee bill will show a slight increase in minimums here. For example, the minimum fee for a short form deed has been \$1.90. Under the new fee bill it will be \$3. The minimum for a long form deed has been \$2.15. Under the new fee bill it will be \$3.25. Similar increases are seen in other instruments, insofar as minimum charges are concerned.

As state president of the Register and Recorders' Association, Orville M. Potter, register and recorder of this county, realized the inequity of the various fees and with his executive committee worked for a uniform fee bill. This was passed and signed and becomes law on September 1. It is the first change in fees since 1868.

CUPID ON JOB

In the heat wave which has been reigning for two weeks, it seemed that court house activities were in inverse ratio to the movement of the thermometer. All but Dan Cupid. The marriage license bureau is still turning out licenses at a heavy rate.

Two Join Regular U. S. Navy Ranks

It has been announced by O. J. C. Johnson CGM, USN, that Milton Alexander Kalyansky of 319 Bell avenue, New Castle, and Paul Gunn of 704 Elm street, New Castle, have recently joined the US Navy.

Kalyansky was sent to the Great Lakes training center at Chicago, Ill., for his boot training and upon completion will be given a short leave to visit his parents. Gunn, a reenlistment in the Navy, was sent to Philadelphia, Pa., for re-assignment to some ship or station.

It has also been announced that eligibility of most Navy ratings who were discharged after 15 August 1945, to reenlist in the Navy in the rate held at the time of discharge or at a lower rating provided they meet all other qualifications. This provision will expire 31 October 1947.

Traffic Deaths Much Increased In Night Hours

WASHINGTON, Aug. 22.—(INS)—The National Safety Council reported that the individual's chances of meeting death in a traffic accident rise sharply as the sun goes down.

The night fatal accident rate per mile is three times as high as the daytime rate.

Emphasizing the dangers that lurk for motorists and pedestrians on urban streets and rural roads in the hours of darkness, the council declared:

Three Of Five At Night

1. Three out of every five fatal accidents occur at night, despite the fact that the traffic volume then is only one-fourth the daylight volume.

2. There is an alarmingly steady increase in the number of night fatal accidents, with the rise in rural areas running as high as 20 percent above last year's figures.

3. Pedestrian deaths are more frequent during the early hours of darkness, with 31 percent of such fatalities occurring within three hours after sunset in the winter months, as compared with 22 percent for the summer months.

Total Fatalities

4. Total traffic accident fatalities for the 12-month period covered by the council's latest survey are listed at 33,700, with deaths from night accidents numbering 19,700.

These grim findings coincide with statistics of the street and traffic safety lighting bureau. That agency declares that 60 percent of all fatal accidents occur between sunset and sunrise.

The bureau, following its own investigations, states that at least half of the fatal night traffic accidents are due to inadequate thoroughfare lighting.

Naugle Resigns Teaching Post

New Wilmington Public School
Teacher Leaves; Other News
Of Community

(Special To The News)

NEW WILMINGTON, Aug. 22.—Henry Naugle, director of music in local schools last year, has tendered his resignation. Mr. Naugle, whose home is at Beaver, Pa., is a World War II veteran. He plans to continue graduate studies.

Walter Whitman, supervising principal here, announces that schools will open Tuesday morning, Sept. 2.

The annual picnic of the congregation of the Methodist church will be held next Wednesday evening at the Community Park. Those attending are requested to take old articles of clothing with them and gulf bags will be packed preparatory to being sent to needy people.

Harvey Davis, former local newspaperman and a graduate student in music this summer at the University of Michigan, has accepted a position as instructor of vocal music at West View High school.

Mr. Davis is the son of Mr. and Mrs. Allan E. Davis, Waugh avenue.

Rev. Richard A. Davis, pastor of the Pierce Avenue Presbyterian church, Niagara Falls, will occupy the pulpit of the Shenango Presbyterian church, Sunday morning.

Rev. Davis is substituting for Rev. W. P. Byers, who is vacationing in Canada.

Mr. and Mrs. Harvey Mercer and daughter Peggy, South Market street, are visiting relatives in Aspinwall.

Dr. and Mrs. Donald Spencer, and three daughters, of Chattanooga, Tenn., are spending a week with Dr. Spencer's mother, Mrs. J. H. Spencer, Waugh avenue.

Miss Helen Francis, South Market street, has returned home after attending summer school at the University of Michigan. She was enrolled in the school of music.

Mr. and Mrs. Steve Godleski and children, Carol and Jane of Vandergrift, are visiting Mrs. W. K. Robinson and family.

Rev. D. T. McCalmont and daughter, Elizabeth, Waugh avenue, are visiting friends in Meadville and Cleveland this week.

Mrs. Reed McFarland is spending a week at Atlantic City.

Mrs. C. B. White is attending the school of Missions of the Erie Conference at Chautauque, N. Y., this week. She is representing the Methodist church.

Engineers Plan Annual Picnic

Mahoning-Shenango Engineers Society Will Have Annual Outing At New Castle Water Works

Members of the Mahoning-Shenango Valley Engineers society will have their annual picnic on Saturday, August 23, at the picnic grounds adjoining the City of New Castle Water plant, along the Shenango river.

The festivities will start at 1 o'clock and will continue on as long as the members care to stick around. General Chairman Russ Forney announces.

Members who do not know how to get to the water plant are advised to go out Wilmington avenue to the street in front of the Jameson Memorial hospital, and follow its continuation down over the hill to the water plant.

Average Span Of Life Increasing

NEW YORK, N. Y., Aug. 22.—The average length of life of American wage-earners and their families, which has been climbing steadily, passed the 65-year mark in 1946, according to the statisticians of the

Metropolitan Life Insurance company. This represents a gain of 19 years in the average length of life in our industrial population in the past 35 years.

The actual figure for 1946, based upon the experience among the company's industrial policyholders, was 65.57 years, or about two-thirds of a year greater than that of 1945, and a gain of more than two years since 1941, our last prewar year.

GET DRIVING INSTRUCTION
HARRISBURG, Aug. 22.—(INS)—Approximately 3500 high school students have received classroom instruction in driving techniques, Superintendent of Public Instruction Francis B. Haas reported today following a meeting of highway safety education leaders in Harrisburg.

Although only a third of the United States motor travel is at night, three of every five traffic deaths are at night.

DR. IRWIN SPEAKS
SLIPPERY ROCK, Pa., Aug. 22.—Twenty degrees were granted at the summer commencement exercises at Slippery Rock State Teachers' College today, nine in elementary education, four in secondary and

seven in health education. Dr. W. W. Irwin of New Castle, a member of the college board of trustees was the speaker.

It is only for the construction of the fronts of houses that permission has to be obtained in Portugal. Just the exact length of Paul Revere's famous ride is not definitely known, but according to the Library of the Historical Society of Massachusetts, it is estimated at about ten miles.

Air Commission Approves Airport On Ellwood Road

First Planes Take Off Officially From Port Shenango After Official Recognition

Authority has been granted Frank J. Farone, 109 Mainland street, to operate Port Shenango, New Castle's newest airport as a Class One Commercial Airport to be used for the purpose of student flying, ground instruction, passenger and charter service and other commercial flying operations, it is announced today.

Robert Zook, principal aviation instructor of the Pennsylvania Aeronautics Commission inspected the facilities of Port Shenango, Thursday, prior to the granting of the authority to operate, it is stated.

Flying operations were started immediately after approval of the field was granted. F. B. Alexander, a Tech graduate and major in the Air Corps Reserve is chief pilot and consulting engineer, while Chester Van Gorder, a graduate of Parks Air College is chief engineering mechanic.

Already nine war surplus planes are on the field and they must be modified in accordance with the air worthiness requirements of the C. A. A. All operations on the field will be under the supervision of Mr. Farone, who has had ten years flying experience in the aviation industry. During the war he was accepted in 1942 as one of four Army basic flying school instructors and served as a captain and squadron instructor.

Extra Precautions In School Zones Urged On Motorists

Approach of the fall term in schools of the commonwealth in September today brought a reminder from R. B. Maxwell, secretary-manager of the Pennsylvania Motor Federation, that motorists keep in mind the extra precautions needed in school zones.

The 60 AAA automobile clubs in the state affiliated with the federation cooperate with school faculties in providing safety precau-

tions for school children through the organization of school safety patrols.

"Motorists are urged to comply with the 'stop', 'slow' and 'caution' signs in the vicinity of public, private and parochial schools," Mr. Maxwell said, explaining that "the boys and girls of Pennsylvania are getting back to their studies in the elementary, grammar and high schools."

"Operators of motor vehicles are asked to respect the signals of the boys and girls who will be serving on school safety patrols," he said. "Members of these patrols give unselfishly of their time, and deserve the same respect shown to police traffic officers since they are on duty to protect the lives and limbs of their classmates."

"Sight of the familiar Sam Browne belt or the safety patrol badge should be a constant reminder to the motorist that there are school children in the vicinity and to drive slowly," the PMP official said.

"Now that school days will soon be here again," he concluded, "it is more important than ever that the motorist 'Take It Easy'."

SMOKE SCARE
Firemen were called to the home of Ralph Goddard, 1705 Delaware avenue, at 9:20 o'clock Friday evening by a smoke scare. No action was taken by the department, Assistant Chief George W. Harper reported.

Call Rehearsals For New Castle High School Band

Many New Band Members And New
Majorities Will Be Seen With
High School Band

Band director, Joseph F. Replogle, has called the first rehearsal for the New Castle high school band for next Monday evening, August 25, at 7 o'clock, in the high school auditorium. Rehearsals will continue throughout the week. Students will bring their instruments on Monday evening.

There will be many new faces seen in the band lineup this fall, due to graduation during the past two semesters, however, the band will be practically the same size as in previous years, 100 strong.

Volunteers Ready
The regular volunteers, who for the past several years, have given so generously of their time in assisting with the band, namely: Rudolph Hermann and James Foster, will be on hand again to throw the switch and man the paraphernalia.

For the first time in many years, the band will be led off in parade by a boy drum major, Paul Gibson, son of Mr. and Mrs. James Gibson.

216 East Sheridan avenue will be blowing the whistle for the intricate formations at Taggart Stadium. Paul shows promise of being an outstanding drum major.

As did so many of the band members, eight of the majorettes graduated last year, however, there is always a ready list of applicants to fill the ranks. The 12 majorettes and three alternates for this coming year are: Barbara Marquis, Shirley Moraldi, Dorothy Barge, Camella DeLorenzo, Adella Bigley, Harriet Berk, Clara Zedick, Jean Magee, Carol Parshall, Lucille Stone, Lucille Benecase, and Mary Perrotta. Alternates are: Irene Aurechik, Pauline Ross and Donna Cardella.

Mascot Grows Up
The little mascot, Veronica Russo, who so consistently won the applause of football fans last year, will not be with the band this season, except on special occasions. Veronica, who is ten years old, really did her growing up in a big way this last summer, and now is almost as tall as some of the senior majorettes.

Another personality, who although was never seen on the football field, but whose professional production touch was always in evidence, Mrs. Helen Replogle, will not be assisting the band in its diversified duties, which she has for so many years, such as prop manager, majorette coach and costume assembler. However, the football fans will long remember the beautiful take off on the New York hit, "Oklahoma", the

delicate charm of the Shamrock show and of course, the extravaganza of last season's ride on the Greyhound bus.

One of the best years in band and football history is looked forward to at New Castle high school and Taggart Stadium, during this coming season.

Gelert, dog hero of ancient legend, belonged to Prince Llewellyn, son-in-law of King John of England. Returning one day from a hunt, Llewellyn found his child's cradle empty and the dog's mouth smeared with blood. He slew Gelert, but then saw the child unhurt and beside in the body of a wolf which Gelert had slain. Llewellyn, in self-reproach, raised a monument over body of the faithful brute, and to this day the place is called Beth Gelert or Gelert's Grave.

Boston, Mass., claims to be the greatest wool market in the United States and the world's shoe and leather center.

Von Der Luft On Probation For Four Years

Pittsburgh Youth Enters Plea To
Charge Of Theft Of Atom
Bomb Secrets

PITTSBURGH, Aug. 22—(INS)—Alexander Von Der Luft, 23-year-old Princeton University student, on Thursday was placed on probation for four years when he entered a plea of guilty in Federal court to theft of atom bomb secrets.

Von Der Luft had been accused of taking papers relating to construction technique of the first atom bombs used in the attacks on Japan from the government's test-

ing station at Los Alamos, N. M., in 1946.

The youthful chemical engineering student was a sergeant in the army at the time.

The papers all were recovered by the FBI before his arrest—part of them from a wall safe at the Pittsburgh home of his parents, and the rest from his room at Princeton University.

He told authorities he had taken them merely as "souvenirs".

At one time Sir Richard Arkwright, English inventor of cotton-spinning machinery, was so poor that he needed to be furnished with a suit of clothes before he could appear to vote at an election as a burgess of Preston, his home town.

Pomona Grange To Gather At Westfield

Final Plans For State Grange Sessions Here In October To Be
Made Wednesday

One of the most important Pomona Grange meetings in recent years will take place Wednesday, August 27, at Westfield Grange hall, opening in the morning at 10:30 o'clock. Since State Grange will be in session in October in New Castle, many of the final plans for that meeting will be discussed.

As August's Pomona assembly features the Juvenile Granges, an

hour's program will be given by the juveniles at the afternoon meeting at 1:30 o'clock. Miss Elizabeth Millard, of Lenhartsville, state superintendent of Pennsylvania Juvenile Granges, will also speak.

Mrs. Harry Emery, home economic chairman, has arranged for the modeling and judging of all entries in the dress contest. The winner for Lawrence county will exhibit her prize-winning dress at State Grange.

Hon. Louis E. Graham, congressman from this district, will speak in the evening on the subject "What the 80th Session of Congress Accomplished". Reports by winners of the 4-H and vocational groups will also be given.

Jake Bumgardner, of Wilmington Grange, will direct the spelling contest for the county granges. A

large class will receive the fifth degree which will be conferred by the Lawrence County Pomona degree team.

Dinner will be served by Westfield Grange during the late afternoon recess. Then the group will go to the Mt. Jackson high school building for the evening session at 7:30 o'clock. State Master W. Sharp Fullerton will be present. One of the largest Pomona meetings of recent years is being planned for the last Wednesday of this month.

New Tax Board Will Be Staffed

Expect Governor Duff To
Act On Tax Equalization
Board Staff Soon

OTHER NEWS OF STATE AFFAIRS

HARRISBURG, Aug. 22.—(INS)—Gov. James H. Duff was expected to staff some time next month the tax equalization board created by an act of 1947 and the "good will commission" which he plans to establish under his appointive powers. The latter agency was designed to form the nucleus of a possible fair employment practices commission. It will be the governor's answer to the General Assembly, which turned down Italy during the 1947 session demands for a commission to enforce indiscriminate hiring due to race and color. Duff reportedly was studying a list of possible appointees for the FEP today, but said he had not decided how large the agency would be nor how many races would be represented. The good will commission will lack enforcement powers and will have to depend upon an educational campaign for its success.

The tax equalization board was set up to determine school subsidies on the basis of true need. It will be composed of three members, including a chairman, who will receive \$10,000. The chairman will get an additional \$500. Dr. Paul H. Wueller, research expert for the joint state government and director of the school commission which ceased functioning last month, was expected to be one of the appointees. It will be the duty of the board to determine state grants on the basis of market value to prohibit underestimates of revenues by school boards hoping to receive larger subsidies.

The Republican state committee has issued a 31-page "Report to the Public" on achievements of the General Assembly during the 1947 session. The GOP, which strongly dominated both chambers, rightfully took credit for beneficial legislation enacted. Chairman M. Harvey Taylor claimed, in a foreword, that "the General Assembly's outstanding accomplishments, particularly in education, welfare, health and veterans' affairs, were demonstrative of a desire to make Pennsylvania a better place in which to live and work."

The pamphlet described the \$239,123,900 education program embracing teacher salary boosts, child health and school administrative improvements as a "monument to lawmakers." Public health and welfare projects adopted were "second to none in the nation," it stated. They include the \$89,000,000 mental health program. While a new \$140,000,000 tax program was enacted, the legislative resisted levies on "bread, butter and wages," the booklet said. It put on the statutes a community property law to enable married Pennsylvanians to save \$100,000,000 annually in federal income tax reductions. Other achievements listed were a \$10,000,000 flood control and reforestation program, agriculture research plans, and the first step toward granting veterans' bonuses.

Virginia Hill In Serious Condition

MIAMI BEACH, Fla., Aug. 22.—(INS)—Virginia Hill, auburn-haired, 30-year-old playgirl friend of the late Benjamin "Bugsy" Siegel, was reported in a serious condition at a Miami Beach hospital today suffering from an overdose of sleeping pills.

Police Chief P. R. Short said Miss Hill was admitted to St. Francis hospital last night after being in an unconscious condition most of yesterday.

Fire Losses In U. S. Increase

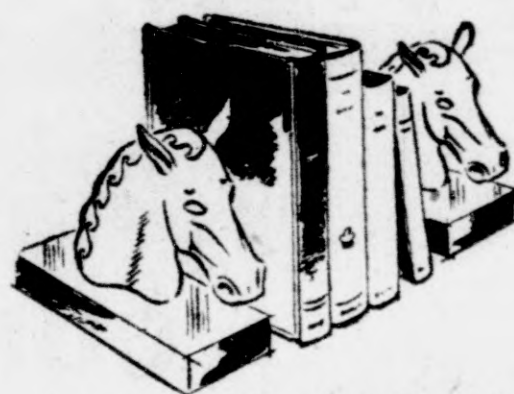

NEW YORK, Aug. 22.—Destruction by fire in the United States during July was estimated at \$49,347,000, an increase of 20.4 per cent over losses of \$40,998,000 incurred during July a year ago. It was announced today by W. E. Mallalieu, general manager of the National Board of Fire Underwriters. July's estimated losses were 2.9 per cent lower than losses of \$50,840,000 during June.

July's losses brought the total destruction for the first seven months of 1947 to \$418,633,000, an increase of 23.7 per cent over losses of \$338,304,000 for the first seven months of 1946.

United States fire losses for the 12 months period ending July 31 were estimated at \$641,816,000, which for the seventh time this year set a new high record for fire losses in a 12-month period. This is an increase of 21.9 per cent over losses of \$526,188,000 for the 12 months period ending July 31, 1946.

Garden Notes

All plants with crown gall, all gladioli badly infested with thrips and all dahlias having the stunted disease, should be removed from the garden and burned.

flowering crocus, and colchicums should be planted now, using a little sharp sand around each bulb in heavy soil.

As soon as a vegetable row is cleared away, fork the soil and plant winter rye. It will get a good growth before hard freezing halts it, and it can be turned under in the spring for "green" manure.

Bulbs of Hall's amaryllis, autumn

peonies may be readily moved now. Do not separate herbaceous peonies into divisions carrying fewer than three buds or "eyes" nor plant them so deeply that the eyes are covered more than two inches in heavy soil.

Spraying roses for black spot and mildew should not be neglected as long as growth continues.

Broccoli will continue to form its heads as long as the yellow florets

are kept from opening. This means continued cutting of the young, green clusters.

Sir Richard Arkwright (1732-92), was celebrated for his invention of cotton-spinning machinery. He was born in Preston, Lancashire, England, the youngest of 13 children and was bred to the trade of a barber.

State Highway Safety Program Makes Headway

Drop In Fatalities Shows Intensive Campaign Is Bringing Results In State

HARRISBURG, Aug. 21.—(INS)—The state appeared today to be making headway in its intensive highway safety campaign.

Traffic accidents claimed 711 lives in Pennsylvania during the first half of 1947, it was reported by the state highway safety bureau. The toll represented a decrease of 102 from fatalities during the first six months of 1936 and 241 from highway deaths during the same period of 1941, the peak accident year.

The greatest slump between this year and last year was in rural fatalities, the bureau said. A considerable decline was noted in multi-fatal accidents.

June deaths totaled 121, an increase of 31 victims over the same month of 1946, but a decrease of 61 from June, 1941. The sharp gain was not alarming, the bureau explained, because the June, 1946 toll was exceptionally low.

Many of the accidents were attributed to carelessness and speeding.

"We must practice caution, common sense and respect for the other users of our streets and highways," the bureau warned. "As long as we are reckless, selfish and inconsiderate of others, we can expect to read month after month that more than 100 persons die monthly as the result of motor vehicle traffic accidents in Pennsylvania."

Forty-nine pedestrians were killed last June while 130 were injured fatally during the first half of the year, the bureau reported. Most were struck in urban areas, it added.

Twenty-six counties reported increases in traffic deaths of all types during the six-month period. Bucks county led with a gain of 12 fatalities, the bureau said.

Increases during June alone were noted in 29 counties. The biggest jump of four deaths each occurred in Delaware, Dauphin and Bucks counties.

CONSHOHOCKEN, Pa.—(INS)—Many G. I. dreams of getting even with the sergeant never came true. Not so with Pvt. Joe Lawler. When Lawler was in the army he took orders from Dan O'Donnell, his sergeant. Today Lawler is third assistant postmaster general in Washington, and gives the orders to O'Donnell, a clerk at the Conshohocken post office.

TREES SUPPLY FOOD, COVER FOR WILDLIFE

Trees serve many purposes, and among them food and cover for native wildlife is one of the worthwhile reasons for doing some reforestation.

In many sections native wildlife, including insectivorous and song birds, has been diminishing largely for want of sufficient feed and cover.

Most of these birds and animals are friends of the farmer and deserve consideration even aside from any interest taken in them as game stock.

There they have moved out to find new feeding grounds and new refuges, many of them could be induced to return, sportsmen agree, through an intelligent and well-managed tree planting program.

Suitable trees include hemlock, red pine, white pine, Scotch pine, walnut, oak, hickory, thorn apple, wild crabapple and food-bearing plants and vines, such as wild grapes and bittersweet.

These and other species of vegetation, adapted to local conditions, and once well established, will be capable of supporting and protecting birds and animals which contribute interest and fascination to all, in and out of hunting season.

The world's largest orchard, in the Soviet Kibun Steppe, covers 20 square miles and has its own airport. Planes loaded with fruit leave daily for various Russian cities during the harvesting season.

The Chinese are believed to have used spaghetti and macaroni before the Italians.

Nick Pavvett Graduated From Mechanic School

KEESLER FIELD, Miss., Aug. 22.—Pvt. Nick T. Pavvett, son of Mr. Nick Pavvett, 1416 Laurel Place, New Castle, this week was graduated from one of the world's greatest educational programs—one of the Air Training Command's airplane mechanics training courses at Keesler Field.

The training he received in the mechanics school covered basic airplane and engine mechanics operations. The technical course extended over a period of approximately 16 weeks and included instruction in aircraft electrical systems, engine operation, fuel and oil systems, propellers, structures, instruments and basic inspection. This qualified him for additional specialized training in the maintenance of heavy bombers, cargo planes, jet and rotor aircraft.

Do You Suffer Distress Of Monthly FEMALE COMPLAINTS With Uncomfortable Fullness?

Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel so nervous, restless, weak—at such times? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. In a recent medical test Pinkham's Compound proved remarkably helpful to women troubled this way. It's what doctors call a uterine sedative. It has a grand soothing effect on one of woman's most important organs. Taken regularly—Pinkham's Compound helps build up resistance to such distress. Also a great stomachic tonic! LYDIA E. Labor Conditions Are Discussed By Babson

By ROGER W. BABSON

(Copyright, 1947, Publishers Financial Bureau, Inc.)

BOSTON, Mass., Aug. 22.—Last night, I spent in Wellesley. Desiring to get to Boston early, I went to the Wellesley Hills railroad station to take the 7:16 a. m. train. This is a very fine station of the Boston & Albany (New York Central System) railroad. To my surprise, I found no ticket agent, no baggage master and no newspapers. The doors were locked and bolted.

BABSON Upon inquiring the reason, I was told later in Boston that, in view of a recent forced raise in wages, the railroad cut down the working hours of the station employees so the railroad did not have to pay out any more money. This, of course, resulted only in enabling the station employees to lie a little longer in the morning.

The station did not open until 7:30 a. m. Until then no tickets could be bought, no newspapers were available, no baggage could be checked and the public telephone could not be used. I stood out in the mist awaiting my train; but a neighbor who was also shaking the door said: "Okay, I'm going down to the Square and get a bus into Boston."

Why Living Costs Are High
Now let us forget, for a moment, whether our sympathies are with the railroad or its employees. The fact is that only the bus company wins by such nonsense! The employees have no more money to take home; the railroad loses customers; the newspapers lose sales and the public is inconvenienced. Of course, this foolishness can't go on forever. More hourly wages, shorter working hours, higher retail prices—all expanding like a balloon—are bound to collapse sometime. I don't blame any special group; but do say that the present system is a losing game to all concerned and the true reason for high prices.

The hope of every reader lies with more production which means more work by all of us. What we get in money wages means nothing until we turn it into "goods". What can we get for our weekly pay in food, clothing and shelter is our real wages. This can be increased only through increased production which requires longer and better work and more new inventions. In fact, the real reason why wage-workers have more goods today is due to inventors and laborers—not to labor leaders and politicians.

Shall we destroy unions? No! Shall we abolish collective bargaining? No! Shall we enact more anti-labor legislation? No! Consumers want happy and satisfied labor with the highest real wages possible. But both employers and wage-workers must cooperate to increase production and the quality of the product. This could be brought about by the union and the employer agreeing on a wage that the "below the average" is worth and then pay a bonus for good work and more of it. Some sort of piecework or incentive pay

is the consumer's only hope; and the wage-workers make up 60 per cent of these consumers.

Then finished costs would go down causing lower prices to benefit consumers, while both real wages and real profits would go up for the more efficient. How can this be brought about? Well, the first step would be to insert a clause in every labor contract that neither the labor officials nor the company officials can get any pay while a strike is on! This simple clause would do more to help out consumers than any other one thing.

P. S. I forgot a part of my railroad story. The train conductor was so busy gossiping with a woman that he failed to take up my ticket, although I had it in sight. After leaving the train at Boston, I hunt-

ANOTHER SHOWER IN SERIES FOR BRIDE

Another in a series of post-nuptial showers that have been given for Mrs. John Mortimer, nee Betty Jane Cope, since announcement of her marriage was a miscellaneous shower and bridge party given Thursday evening by Mrs. Gomer Lewis, the former Jean Allen, at the home of her mother, Mrs. Lee Allen, 509 Wildwood avenue.

Tables of bridge and 500 were in play, with prizes going to Mrs. Stuart Cope, Mrs. Charles Henderson, Mrs. Edward Gauthier, Mrs. Fred Clark, Mrs. Mortimer and Mrs. George Jones.

Refreshments were served later, with attractive placecards marking places for 12 at the card tables, each one prettily centered by a rose bowl.

Aiding the hostess were her mother, Mrs. Allen, and sister, Mrs. Walter Grannis.

SECTION ONE SENT INDOORS BY RAIN

In spite of the fact that due to the rain the picnic of Section One of the First Christian church at the home of Mrs. C. V. Underwood, State street, Thursday evening, had to be moved indoors, members spent an enjoyable social evening following a tureen dinner served at 6 o'clock in the dining room.

Next meeting will be September 11 in the home of Mrs. Allen McCafferty, 107 East Wallace avenue.

Nellie Constance Class

Nellie Constance Bible class of the Gospel Tabernacle, 210 Pearson St., held their annual class picnic on Thursday evening at Liberty Grange Hall on the Harlansburg road. The meeting was scheduled for the All-son home adjoining the grange hall, but due to the rain, the picnic was moved to the hall.

Supper was served at 6:30 o'clock, by the committee. Due to the lack of electric power, candle light was used during the evening. Games were participated in by the boys and girls.

A short business meeting was held by the women of the class. Special guests were Rev. and Mrs. J. H. Boon.

G.N. Club Meets For Cards

Members of the G.N. club were entertained Thursday evening at the home of Mrs. Joseph Sansosti, Harrison street.

Cards were the diversion of the evening, with prizes going to Mrs. Guy Francis, Mrs. Sam Cobi and Mrs. Paul Lombardo. The birthday of Mrs. Michael DeCatrio was remembered and she was tendered a lovely gift from club members.

Luncheon was served by candlelight with Mrs. Michael DeCatrio and Mrs. Joseph Donati assisting the hostess. Special guests were Mrs. Anthony Choah and Mrs. Phillip Prasso.

Next meeting will be held September 4 in a local tea room with Miss Josephine Coppel as hostess.

Bessemer Event

Residents of the Sixth street of Bessemer held their annual wiener roast Tuesday evening, August 19. It was held at their spacious grounds known as Green Valley.

After the wieners had been roasted, everyone gathered around the fire and had an old fashioned community sing.

4-H CLUB NEWS

Washington Township
Members of the Washington township 4-H club met at the home of Miss Dolores McConnell, Wednesday, August 20. Work was carried on in connection with their projects, and most of the girls finished at this meeting. Following the business meeting, refreshments were served by the hostess.

This was the final meeting of the Washington township club.

Busy Beavers
The Busy Beavers of Big Beaver Township met at the home of Misses Marjorie and Lillie Mae McAnlis on August 19 at 1:30 o'clock.

Additional plans for the Open House Night at the home of Joanne McBride on August 28, 7:30 o'clock, were made, and it was decided to

continue the meetings of the club on into the winter.

Miss Emmeline Mehlman, the extension leader, told the girls about the Roundup, which took place on August 20.

The work period was spent in finishing skirts, dresses, dawns, wool mends, and buttons and patches were sewed on for the contest.

Milk Control Commission To Act On Prices

HARRISBURG, Aug. 22.—(INS)—The milk control commission will act today on requests for milk price increases of one cent a quart in the Scranton, Erie, Williamsport and Pottsville marketing areas.

Commissioner John J. Snyder said dealers and producers had asked for the hike during hearings in those areas. Milk prices dropped a cent July 1 for the three flush summer production months and were scheduled to revert automatically October 1.

The requests for increases in September were prompted by an unexpected decline in milk output, Snyder said.

The proposed immediate hike has been opposed by a group of Scranton dealers who asked Attorney General Tom Clark to use his influence in helping keep milk costs down.

Snyder said the commission had received no notice indicating Clark would send a representative to the conference as suggested by the groups.

Police Chief At Johnstown Is Reinstated

JOHNSTOWN, Pa., Aug. 22.—(INS)—Andrew J. McDevitt was again serving as Johnstown chief of police today after city council voted his reinstatement yesterday.

The Cambria county court on Tuesday had dismissed charges on which council had originally found McDevitt guilty of misconduct in office and failure to maintain efficiency and discipline in the police force. The dismissal order was appealed to the county court and the case was heard de novo.

Council also voted McDevitt his salary from his suspension on March 11 to his reinstatement.

IN THE OPEN

The mid-August sun broke through the morning haze and set the stage for another sweltering day. Later a light breeze came up and pushed a ponderous parade of thunderheads across the sky. There was a rain front somewhere near by, but until the overcast moved in the sun made every minute count, and the countryside suffered damply through a late breakfast.

There was work to be done outside. Some of the garden rows were engulfed by a rampant growth of "billy-buck", and the old stalks should be pruned out of the ramblers roses. The countryman came out to take the air, saw all these chores waiting for the eager hand, and decided immediately to head for the distant woodlands. Anyway it was too hot, and the mosquitoes were on the prod.

Drowsy Insect Chorus

An hour or so later the car pulled up in a shady woods road, far from the beaten track. The drowsy insect chorus of late Summer filled the air. Cicadas buzzed in the tree-tops, and from one tall oak came the doleful "pha-roah" song of the seventeen-year locust. There seemed to be but one of these fellows, and he was far off schedule, for the rest of his gang is not due back from the big sleep for several more years.

In the timber edging the road lay the gaunt bole of a gigantic chestnut, a sad reminder of frosty Fall mornings when the meaty nuts rattled into the dead leaf mulch on the forest floor. The dead chestnut boughs blight had cheated today's youngsters out of a lot of fun. Here and there a few spindly saplings are trying for a comeback, but the light seems hopeless until the disease is conquered.

The wet season has played into the hands of the many brightly colored members of the fungi tribes. These fellows are under foot everywhere in the woodlands. The big Jack-O'-Lantern fairy lights up the forest aisles with its bright yellow by day, and glows with a faint phosphorescence that is quite startling during the dark hours. The mushroom hunter who knows his forest around in this tricky company will have no trouble filling his basket this year.

Blueberries are ripe

Blueberries hung ripe by the roadside. The countryman sampled a few of these and picked up a handful of blackberries as he hiked leisurely to the wreckage of a pioneer cabin near the hilltop. A fat groundhog lay sound asleep in the sun atop a flat rock in the debris of the old foundation. This whistle-pig started as if he had seen a ghost when punched with the walking stick, and scrambled into his den in a hurry. Very rarely do one of these chuckles let themselves get caught napping like this.

Butternuts were hanging in full crop on a few small trees and here and there a walnut has set some fruit, although many of the old standbys are too in business this year. In a thicket near the summit of the rise a large grove of stately sassafras was displaying the attractive dark blue berries, which the alert birds will take before the fruits have time to soften.

A field sparrow sang lazily and a catbird scolded from the depths of the sassafras grove. A black-billed cuckoo moved quietly into the treetops overhead, picked up a caterpillar or two, and as quietly moved on elsewhere. Horse nettle, and pennyroyal and the small-flowered agnemony so annoying to wool growers were in bloom in the open spots in the woodland. The beautiful orange milkweed was still showing off in waste areas and by the roadside.

Colony Of Hornets

Beneath the eaves of an old covered bridge spanning a small stream a colony of bald-faced hornets has built one of the enormous paper nests so commonly seen in woodlands after the leaves have fallen. These little socialists probably scraped all that paper from the weathered bridge timbers. They chew up the frayed wood fibres into a pulp from which the big nests are constructed.

The countryman watched these bald-faced builders at their chores in the hot sun. It pays not to push your welcome too far with these hornets. When tired they can become quite aggressive, and they pack a powerful wallop in that stinger. Beneath the bridge, in the

shadows of a wide shallow pool, a dozen or so crayfish were disputing over the best locations from which to snare dinner. In every case the victory went to the bigger "cray" and the little fellow scuttled elsewhere.

A nearby stable monument to a now defunct sawmill is supposed to house a den of foxes. The young have long since gone their own ways but the old folks are said to be still living there. The countryman took up a stance from which to do a little snooping on Reynard, when a bull in the next field decided to do a little snooping on the snooper. All snooping for the day ended abruptly.

Italy To Seek Further Loans

(BULLETIN)
ROME, Aug. 22.—(INS)—Premier De Gasperi informed his cabinet today that in view of Italy's grave economic situation he has decided to request two more loans from abroad.

A loan of \$100,000,000 will be asked from the Import and Export bank and an additional \$250,000,000 from the World Bank for International Reconstruction.

Auto Breaks Off Telephone Pole

William A. Sams, Willow Grove, R. D. 7, operated an auto which broke off a telephone pole, felling wires and struck another car at 1:15 a. m., today in the 700 block of South Mill street. The autos were damaged.

According to Sams' report to police, he was following a car south in Mill street, which suddenly applied brakes for a turn into Taylor street. Sams then applied his brakes, which locked, he reports, causing his car to break the pole and hit the car of Joseph A. Fusco, parked at 725 South Mill street.

SOUTH SIDE WOMAN INJURED BY BOTTLE

Josephine Santangelo, aged 31, of 526 Waldo street, was admitted to the New Castle hospital at 3:15 a. m. today, suffering from injuries to her left leg, bruises to her left arm and bruises on the rear of the head, according to police.

They report she was apparently struck with a bottle. She was carried into the Charles hotel, from where she was removed to the hospital. The man accused of the attack is being sought by police.

Hospital authorities reported this morning that the woman was resting well.

Estranged Husband Is Facing Charges Of Torturing Wife

JACKSONVILLE, Fla., Aug. 22.—(INS)—A 25-year-old estranged husband who admitted torturing his wife during a night of horror today faced charges of intent to commit murder and a crime against nature in Jacksonville, Fla.

The husband was Robert Eugene Lewis, a former Army staff sergeant. His wife, Mrs. Jewell Bedford Lewis, also, 25, was reported recovering in a hospital from injuries inflicted by Lewis.

Mrs. Lewis told police she met her husband in a Jacksonville hotel room to sign papers so he could rejoin the Army. She said he tortured her from eight p. m. Wednesday until four a. m. yesterday, cutting his initials in her thighs and sadistically beating her for hours.

The young wife said Lewis silenced her screams with a pillow as she lay strapped to a bed by an electric cord and several neckties. She added that she finally escaped by grasping a hunting knife with her toes and bringing it within reach of her hands.

I.T.U. Operating Under New Policy

CLEVELAND, O., Aug. 22.—(INS)—The AFL International Typographical Union began operating under the Taft-Hartley Act today with a new policy of refusing to sign contracts with employers.

The union's convention decided yesterday without a dissenting vote, to post in each shop "conditions of employment" under which the men are willing to work but to avoid contractual relationships under which they might be sued for damages or unfair labor practices.

The printers will continue to insist on closed shop conditions as before.

The convention decided that the

international president, Woodruff Randolph, may sign any contracts arrived at under exceptional circumstances.

BABY IS MISSING

MARION, O., Aug. 22.—(INS)—Hope waned today for the immediate return of blonde, curly-haired Carolyn Jeanette Peterson, 20-month-old baby who disappeared from her home Wednesday.

The office of Sheriff Leroy Retterer refused to abandon the heart-breaking search, but Deputy Edward Fink admitted that "we have no further clues whatsoever." He added:

"There is a possibility she is still in the vicinity. There is also the possibility that she was kidnapped."

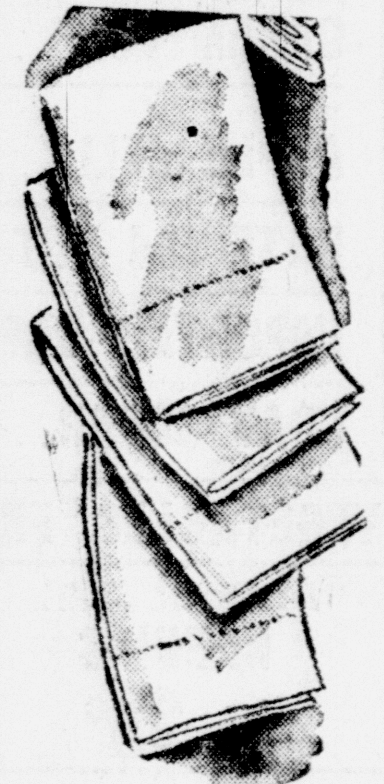

Halt Strike Before New Labor Bill Is Put Into Operation

NEW YORK, Aug. 22.—(INS)—The AFL International Longshoremen's Association announced early today that the wildcat strike of 1900 dockmen which has tied up 11 ships was terminated before midnight last night to avoid losing contract privileges under the Taft-Hartley Act.

The union would have lost its preferential hiring rights if the illegal strike, in protest against a new contract negotiated by union officers, had continued after the 12:01 a. m. deadline.

National Real Estate Boards To Make Defense

WASHINGTON, Aug. 22.—(INS)—The National association of real estate boards prepared today to defend itself in the event a grand jury investigation of Washington realtors widens into a Justice department probe of the National "real estate lobby" recently denounced by President Truman.

Herbert U. Nelson, executive secretary of the association flew to Washington from California and met in closed session with officials of the National and District of Columbia boards.

Nelson announced later that the group had decided to "present a common defense" and had retained Henry Price, Washington attorney, as counsel. The Real Estate association leader declared:

"The grand jury investigation of Washington real estate practices seems to be cloaked in mystery. None of us is quite sure what it's all about, or what the Justice department hopes to develop.

"However, we're going to be ready to protect ourselves—just in case."

TAVERN IS ROBBED
PITTSBURGH, Aug. 22.—(INS)—Allegheny county detectives reported that jewelry and cash totaling \$3400 was taken early today from the Dew Drop Inn (on Lincoln way) in Versailles township near McKeesport.

Lucas Cournotis, the proprietor, told detectives the burglary occurred sometime between 3 a. m. and 6 a. m. while he and his wife were driving friends to their home after they had closed the tavern.

DISCOVER DOOR OPEN
Patrolman Del Weis, while on North Mill street patrol at 8:15 p. m. Thursday, discovered the front door of Axel's Market open. He discovered a bolt which holds the door shut had been broken. Officers combed the market but found no one in it and nothing disturbed.

Group From Girl Scouts No. 30
To Camp August 26-29 At Maple
Drive Dairy Farm

Members of the Adult Advisory Board of Girl Scouts Troop 30 of Mt. Jackson district met in Tuesday evening at Mt. Jackson high school. Plans were completed for the Sherwood Patrol to go camping on the Maple Drive Dairy Farm, August 26 to 29.

Wednesday morning, the Sherwood and Grey Wing patrols met in the school.

There was a review of the individual scouts during the summer vacation. The girls who had been at camp told of their experiences, and sang some songs old and new, used at camp. Mrs. Clarence Sumaker, scout leader, gave an account of her stay for ten days at Camp Edith Macy, Pleasantville, N. Y., the national training school for Girl Scout leaders.

Next week, there will be no meeting of the girl scouts at the school, but the Grey Wing patrol at the day with the Sherwood Patrol at their camp. In the evening of that day, parents and friends will join in a camp fire meeting at the camp site, for a program.

STORM NOT SO SEVERE
From reports received, the storm of Thursday evening was not as severe in the ward as it was in the city and other locations. The electric lighting system was uninterrupted.

Optimists Hold Regular Meeting

Members of the Optimist club of the city met in regular session Thursday evening in The Castleton hotel.

Welcome was extended two new members, Joseph Yachbach and Walter Kieler. President Al Garren was in charge of the meeting, having returned from a vacation spent in the mountains with the Boy Scouts.

Main topic of discussion was the impending "Orange Crate" Derby and General Chairman Cal Rasey promised all the members plenty of work on that date. Another large crowd is expected to turn out for this classic which will be held for the second straight year in the community.

Next week's meeting will be held Wednesday night at Pearsall's cot-

tage. There will be a corn roast with all the members bringing their wives.

Veterans Warned Of Recent Action On SRA Payments

Attention of veterans was called today to recent congressional action setting July 25, 1947 as the termination date of the war under the program of Servicemen's Readjustment Allowances. William H. Chestnut, Secretary of the Department of Labor and Industry, pointed out that Pennsylvania veterans discharged prior to that date will now have their rights to SRA payments limited to the two-year period up to July 25, 1949.

draw their unemployment allowances. A special provision for veterans who enlisted or re-enlisted between October 6, 1945 and October 5, 1946 exempts them from the July 25 date and sets the termination of the war for such veterans at the end of their first period of enlistment or re-enlistment.

Clause Important

The substitution of July 25, 1947 for the words "termination of the war" in Title V of the G. I. Bill makes it especially important for veterans who become unemployed to be fully informed of their rights to unemployment benefits. Chestnut declared. Many veterans, he explained, have rights under both the G. I. Bill and the Pennsylvania Unemployment Compensation Law. To be assured of maximum protection under both programs, they must consider carefully the amounts payable, the duration of benefits and

the expiration date of their rights under each. Local offices of the State Employment Service, which handles both types of claim, will be glad to provide the veteran with full information on these points, Chestnut said, so he may elect the program under which he will file his claim.

Overell Murder Case Is Without Murder Weapon

Defense Scores Point In Long Murder Trial At Santa Ana, California

SANTA ANA, Cal., Aug. 22.—(INS)—The 13-week-old Overell yacht blast murder trial in Santa Ana, Cal., was a murder case without a death weapon today. Shortly before court recessed for the weekend Judge Kenneth E. Morrison granted a motion to remove from the evidence a ballpeen hammer. The state claimed the hammer

was the weapon with which Mrs. Beulah Overell was bludgeoned to death.

The ruling was a notable victory for the defense. It dealt a blow to the state's contention that heiress Beulah Louise Overell and her boy friend, George R. Gollum, killed the girl's parents, the Walter E. Overells, and then dynamited the Overell yacht to conceal the crime.

The hammer was found in the wreckage of the yacht. It figured prominently in testimony concerning Mrs. Overell's death and its elimination left a blank spot in the prosecution's case.

Marble and granite are the chief quarry products of Vermont, the state ranking first in the U. S. production of slate and talc. It is the leading producer of asbestos in the United States.

Renew Search For Slayer Of Two In Vicinity Of Baden

BADEN, Pa., Aug. 22.—(INS)—The search for the slayer of two men in Baden two months ago was given fresh impetus today after a little girl reported she had seen John William Givens' face at her window. District Attorney William Coghlan, of Beaver, headed a search of the area around Baden, using his pack of hunting dogs in an effort to track down Givens. Twenty other officers were aiding him.

Coghlan said the little girl was certain the face she saw at the window was that of Givens, who she had known.

New Castle High Football Candidates Start Strenuous Camp Drills

Spirit And Dash Pleases Coaches On Opening Day

Intensive Drills Will Continue Each Day, 53 Candidates Seeking Berths

Outlook For 1947 Very Good, Plenty Of Veteran Material On Hand This Year

Losing no time in getting started with their strenuous camp drills, the New Castle high school grid coaches had the 53 young candidates out in the boiling hot sun Thursday morning and afternoon. Only a welcomed heavy downpour of rain around 4 o'clock halted the activities, as the gridders sweated and toiled with humidity quite high.

That New Castle high means business this year was evident to trained observers yesterday the first day in camp when the boys were told to don shoulder pads and head-gears.

Start Tough Drills
Head Coach Phil Bridenbaugh was overseeing the whole squad. Assistant Coach William Klee was giving the linemen instructions in blocking and charging, while Assistant Coach G. L. Thomas ran the backfield aspirants through various brushing up plays. Judging from the tough first day at camp drills, the coaches were evidently pretty well satisfied with the three days spent at the stadium hibernating up, and brushing up on fundamentals.

It would not be surprising if the boys got a little scrimmage by Saturday or next Monday, as they are evidently ready for the tough stuff.

Need Fullback
There is a feeling at camp that New Castle high has a rather powerful team coming up this year.

There are ten lettermen back and a galaxy of young stars from Franklin, Middletown and Washington on hand. At the moment the coaches are trying to find a suitable fullback, and young Herman "Bo" Wallace, 190 pound colored speedster is being looked over very carefully. He was a lineman for Franklin last year.

The afternoon drills over yesterday the boys ran for the newly installed shower bath, despite the drenching rain and then waded into a full meal of roast beef and the trimmings prepared by Mrs. Oscar Saul and Mrs. Murdoch. The boys really had their appetites sharpened up, by two drills Thursday.

Faculty Manager Robert Mills has the boys divided into groups in eight cabins. There is a large equipment room, an administration building and mess hall on the grounds.

How Squads Divided
There are 21 backfield candidates

How Gridders Put In Time

New Castle High's 53 young football candidates at the Y. M. C. A. camp do not have too much idle time on their hands. Here is the schedule the gridders follow at camp:

- 7 a. m.—Out of bed.
- 8 a. m.—Breakfast.
- 9:30 a. m.—Morning workout.
- 12:30 p. m.—Lunch.
- 1:30 p. m.—Relaxation period.
- 2:30 p. m.—Afternoon workout.
- 6 p. m.—Evening meal.
- 7 p. m.—Horseshoes, volleyball.
- 8 p. m.—Blackboard drill.
- 10 p. m.—Lights out, in bed.

at the camp trying for starting berths, as follows: Eugene Gribble, Lou Gilmore, Paul Cuba, Jr., Sammy Keyes, Lou Clause, Jake Yanelli, Jack McCoy, Larry Blackwell, Jack Beynon, Dor Piccirilli, Gil Disen, Herman "Bo" Wallace, Earl Sallie, Jimmy Alkman, Dick Altman, Frank Walker, "Doc" Valenti, Ed. Eberstadt, Bill Klee, Jr., Tony Lannorella and Ralph Paolone. Out of this group Coaches Bridenbaugh, Klee and Thomas expect to find their starting backfield. The veterans in the group are Cuba, Gribble and Gilmore.

There are four centers in camp, as follows: Tony Claiella, Clem Cwynar, Chuck Mancine and Lou Bender. Claiella was the regular center last year.

The following are line candidates: Bob Irwin, John Smith, Bob Session, Jumbo Josephs, Mike Banko, Sandy Mangino, Tom Mangino, Harry Thomas, George Gunn, Tony Izzo, Ray Peluso, Ferdinand Antonelli, Jimmy Beshera, Chuck Abramski, Ralph Morella, Tommy Tomalio, Charles Cobau, Amen Hassel, Jasper Williams, John DiCola, Cliff Rowland, Lou Zeigler, Charles Wing, Joe Tempera, Dick White, E. Nelson and G. Smith. The veterans are: Rowland, DiCola, Wing, Williams and Zeigler.

Student managers in camp are: seniors, Bob Walrath, Bob Kennedy, junior, Roger Hemer; sophomores, Dean Smith and Bob Lockley.

CHICAGO, Aug. 22.—(INS)—A second peace meeting between officials of the National Collegiate Athletic association and professional football interests was scheduled today in Chicago.

Robinson Kayoes Secret In First Round At Akron

AKRON, O., Aug. 22.—(INS)—Welterweight Champion Ray "Sugar" Robinson convinced the skeptics today that he still has his punch following his one-round kayo of Sammy Secret last night in the Akron Rubber bowl.

Robinson flattened Secret for the full-count with the only right hand punch he threw in the fight. The terrific right cross followed a series of left jabs that had the veteran Secret in trouble for the one minute 50 seconds which the fight lasted.

Carried In, Walks Out
One unusual incident occurred when Secret's handlers carried him into the ring to avoid getting his shoes wet on the rain-soaked grass. The Pittsburgh fighter left the ring under his own power.

Flaherty Field Game Doubtful

Heavy Downpour Causes Doubtful Condition Of Field For Game This Evening

Owing to the heavy downpour of rain accompanying the severe electrical storm last evening, it is very doubtful today that a game can be played tonight at Flaherty field between the Chicago Bombers and the Jay-Bees team. The game, if played, will start at 8:15 o'clock. It was announced by Ralph H. Gardner this morning.

The playing of the game depends on the drying out of the field today, providing there is not any more rain. Early this morning the field was very wet, Gardner reported after an inspection.

Slaughter Hurt, Cards And Phils Split Twin Bill

Cards Pennant Fight Halted Few Days By Injury To Slaughter, Brooks Trim Blackwell

(International News Service Sports Writer)
NEW YORK, Aug. 22.—An even-temperament race between St. Louis and Brooklyn today was assured by an announcement that "Country" Slaughter, injured Cardinal outfielder, will be out of the St. Louis lineup for only a few days.

When Slaughter collided with Shortstop Bernie Creger at Philadelphia yesterday, it was feared at first that Slaughter might be lost for the season. But X-rays revealed no skull fracture or other serious injury.

The Dodgers performed a minor miracle yesterday, as they defeated the Cards in a skinning "Eel" Blackwell of Cincinnati, who had allowed the Brooklyn only one run in beating them three times previously this season. The Eel, seeking his 20th win, was nicked for four runs in the fifth inning and retired after the sixth.

Alvin Karpis, a second-stringer, went the route for the Dodgers and won 8 to 1, increasing Brooklyn's lead over St. Louis to five games.

Cards-Phil Split
St. Louis got no better than an even break against the Phillies. Oscar Judd held them to five hits in the opener and beat them 9 to 2. In the nip-and-tuck Red Birds won on a home run spree and drubbed the Phils 13 to 3.

Boston's battering Braves, compiling a total of 31 hits, downed the Chicago Cubs twice, 8 to 2 and 6 to 4.

Giants Subdue Bucs
Clint Hartung, the "Texas Phenom" of the New York Giants, had a no-hitter going into the eighth inning against Pittsburgh under the arc lights. Then Jimmy Bloodworth, first Pittsburgh batter in the eighth, hit a single to right field.

The only other safe hit made off the "Phenom" was a ninth-inning homer by Frankie Gusine which ruined a shutout for Clint. Hartung also helped himself to a homer in the fifth inning, which ended New York's scoring and gave him a handsome 4 to 1 triumph.

Senators Win Two
In the American League the Senators not only snapped an 11-game losing streak but also downed the Tigers twice, 3 to 2 and 5 to 3.

Philadelphia's improving Athletics moved into third place in the junior circuit, ahead of Detroit, when rookie Bill McCahan pitched his fifth straight victory in beating the St. Louis Browns, 8 to 5.

Yanks Scalp Indians
The sprightly A's are only a game and a half behind the second-place Boston Red Sox who were tripped up by Chicago, 3 to 2.

New York's pace-setting Yankees increased their lead over the Red Sox to 13 games by trouncing the Indians, 9 to 3.

City Loop Games Are Rained Out
Three More Postponed Games Are Carded For Tonight, Weather Permitting

Three important postponed games in the torrid City Baseball league had to be postponed again last night by the early evening downpour. Three more games are carded for tonight (weather and grounds permitting) at 5:45 o'clock.

The card for tonight: Universal Pottery vs. Sons of Italy, Deshon Annex Field.
Dewey A. C. vs. Duca D'Abuzzis, Cascade Street field.
Ryantown vs. Columbus club, P. & L. E. field.

What disposition the managers wish to make of the postponed games last night is not known yet. The managers are asked to contact President C. P. Walther at The News or at his home today. There is a possibility that the games will be re-scheduled for next Sunday, throwing the playoffs a few days late in starting. The playoffs were scheduled for Sunday at four fields.

Rain Washes Out County Play-Offs

For the second night running the County league titlists were kayoed by the weather as heavy downpours drenched playing fields and caused cancellations of the games.

Tonight, if the diamonds are in fit shape, Bessmer will journey to Hillsville, and the Ellwood Moose will be at New Galilee. The Cementers and the Tube City nine need one more victory to clinch their series.

All-Star Benefit Game Shaping Up

Plans for the big benefit all-star baseball game at Flaherty field for the Margaret Henry Home is shaping up well today. The ladies auxiliary of Eagles lodge are sponsoring the benefit. The date is Wednesday, September 10.

The fans are asked to help pick the all-stars from the County and City leagues. It will be the Lawrence County All-Stars against the City All-Stars. The fans are asked to pick either team and send their letters in to C. P. "Bugs" Walther or Carl Romack at The News sports department. Mr. Walther is representing the City All-Stars and Mr. Romack the County All-Stars.

The Eagles auxiliary hopes to raise a large sum for the Margaret Henry Home fund.

Union Gridders To Play 9 Games

"Scotties" Will Open Season Sept. 5 At Grove City; Face Heavy Card

Coach Charlie James of Union high isn't squirming just from the heat these days—his "Scotties" face a rugged nine-game card that will mean trouble from Sept. 5 until the tail-end of October.

The Scotland Lane gridders will tangle with nine opponents this fall in an ambitious card. Practice is continuing every day for the James lads and soon they will depart for camp Muddy Creek to get down to heavy work.

The schedule follows:
Sept. 5—Grove City, away.
Sept. 11—Mars, home.
Sept. 19—Geo. Jr. Republic, away.
Sept. 26—Evans City, home.
Oct. 3—Bessmer, away.
Oct. 9—Zellenople, home.
Oct. 17—Shenango, home.
Oct. 23—Hickory, away.
Oct. 31—Mercer, away.

Titan Gridders To Report Soon

Westminster Football Team Candidates Will Report On September 1

NEW WILMINGTON, Aug. 22.—Aspirants for this year's Titan football squad will be mailed invitations this week to attend camp on the Westminster campus beginning September 1. The first game is September 27 with Slippery Rock.

Head Coach Mel Hetzler is expecting 45 candidates to report for the initial drills. Included are a host of lettermen from last year's once-beaten, four-times tied Titans. Hetzler lost but six letter winners through graduation.

Replacing the departed Park Glass at center, and finding a good break-away runner will pose the sophomore mentor's main job. But, Hetzler definitely feels the prospects are bright.

PEP BATTLES LESLIE
FLINT, Mich., Aug. 22.—(INS)—World Featherweight Champion Willie Pep and belligerent Jack Leslie awaited with supreme confidence the outcome of their 15-round title fight in Flint's Atwood stadium tonight.

A. P. (Dean) Burrell, who was formerly in charge of the Penn State athletic stockroom, still lives a stone's throw from the campus.

Bears Favored Over All-Stars

Annual Charity Football Game At Chicago Will Draw Close To 103,000 Fans

By CHARLES EINHSTEIN
(I. N. S. Sports Writer)

CHICAGO, Aug. 22.—Football steps into a Turkish bath for its 1947 debut tonight, and the sweat towels are ready for the favored Chicago Bears, the ever-popular College All-Stars, and 103,000 season-opener fans at Soldier Field, Chicago.

Heat-locked and, apparently, grossly one-sided, this will be the 14th renewal of the charity spectacle which pits the finest of college senior gridders against the current National Football League champions. As such, this game annually provides the official touch-off for the forthcoming football season.

Miss Glenn Davis
Hampered by a weak line and a backfield beset by injuries to such as Glenn Davis, Julie Rykovich and Bob Fenimore, the Frank Leahy-coached stars today were on the unpleasant end of odds which ranged up to three touchdowns. Moreover, in five previous appearances against the Stars, the Bears have never lost, winning four and tying one. The total record on the game is professionals—won seven, lost four, tied two.

The brunt of the jackrabbit stuff will fall to little, dark-skinned Buddy Young, the ex-University of Illinois whiz who'll start at left halfback for the Stars tonight. Along with him in the College All-Stars' backfield will be that methodical passing stylist, Quarterback George Ratterman of Notre Dame; right halfback Vic Schwall of Northwestern, and, at full, either Notre Dame's Jim Mello or Army's Felix "Doc" Blanchard.

Luckman At Quarter
The George Halas-coached, Sid Luckman-detonated Bears are the same club that wrecked the N. F. L. last year. Luckman starts at quarter, along with halfbacks Ray McLean and Hugh Gallierneau and fullback Joe Osmanski.

The Bear line could shake your teeth on reputation alone. Here are the starters: Ken Kavanaugh and Ed Sprinkle, ends; Fred Davis and Walt Stickle, tackles; Chuck Drulis and Ray Bray, guards; and Clyde "Bulldog" Turner, center.

Ellwood Club To Shoot Saturday

Ellwood Rod and Gun club will stage a trap shoot at the Ellwood Wampum road range at 3 o'clock DST Saturday. It was announced. There are 12, 16 and 20-gauge shells available for the shooters. The public is invited to attend.

SOFTBALL CARD TO END TONIGHT

B. of R. T. vs. Sons of Italy at Dean Park, Turk and P. Streets.
E. S. Merchants vs. Local 1284 at Gaston Park, Riley and Abraham.

HERE AND THERE IN SPORTS' LAND

THEY say that Elkins Brothers will answer the Wedding bell next month, following which he will cast his lot among the pros, and whether or not his present handlers will continue to guide his pugilistic destiny, is a question not yet answered. . . . W. M. Roberts, of this county, whose term as a member of the state board of fish commissioners expired by adjournment of the senate, has strong backing for reappointment by Governor James Duff and sportsmen are wondering what is going to happen. The northwest, southwest and north central divisions of the Pennsylvania Federation of Sportsmen have recommended his appointment, as has affiliated clubs of Tioga County, all of which represents a membership of 65,000. The northwest division of Elks, jurists in three counties, in addition to several county Republican chairmen favor the reappointment. He has proved one of the outstanding members of the board, and rendered efficient service during his reign. According to reports, the last meeting of the board was held in March. . . . Failure of Elkins Brothers to score a knockout over Johnny Randall of Youngstown caused an upturning of eyebrows here. However, Elkins is training with Hal Brooks, alias Dancin' Feet, and hopes to take Elkins Bell into camp August 27. However, if Bell uses his long reach, jab, right cross, speed, and takes the play away from Elkins, there'll be a good fight. Tojo Wade of Johnstown battles Pete Misto, veteran Youngstown 150-pounder in the semi-final.

A group of fishermen returned to the city with nine bass Wednesday night the smallest of which was 17 inches. . . . Johnny Green, Buffalo 148-pounder, is one of the sweetest fistic performers Here & There has seen in some time. He moves good, hits like dynamite kicks, and knows what to do in a tight place. He flattened Henry Jordan in two rounds in Youngstown. . . . The past cannot be compared with the future, likewise a champ of yesterday with one of today but Here & There is of the opinion that George Chip would have defeated Rocky Graziano. Of course this is only one man's opinion. . . . Talking to Chip about the Graziano-Zale fight, Chip remarked: "I cannot understand why Zale did not pace himself. He fought himself out. When I was fighting, I knew how to pace myself. I'd fight hard then slow down a bit, to recuperate, then go in again. No, I cannot understand why Zale didn't pace himself." Personally, Here & There believes age had plenty to do with Zale's defeat. Incidentally, Rocky is a well put-up young man, who after his fourth round exhibit with Koerkle, whom seldom punched back, remarked to ring-siders: "I know him," meaning that is why he did not unloose any of his dynamite.

Special Program At Canfield Saturday

CANFIELD, O., Aug. 22.—(INS)—The Canfield speedway at Canfield, O., will be the scene of another big ten event midget auto racing program this Saturday night, August 23. This is a special program with all the heat races with reverse starts—that is—the fastest cars starting last and the slower cars having the front positions. Gates to the speedway open at 6:30 p. m. EST, time trials at 7:00, and the first event gets the green flag at 8:30.

Steelers Battling Bethlehem Tonight

ERIE, Pa., Aug. 22.—(INS)—The Pittsburgh Steelers will have veterans at every spot but right tackle tonight when they open their 1947 schedule with an exhibition game against the Bethlehem Bulldogs at Erie.

Paul Stenn, 250-pound rookie, was the only freshman Coach John F. Jocky Sutherland nominated to start against the air-minded minor leaguers. Stenn replaces Jack Wiley, ace Steeler tackle, who suffered a pulled ligament in his leg in an intra-squad game.

Reading Defeats Masontown Legion

PITTSBURGH, Aug. 22.—(INS)—Reading's Junior American Legion league baseball team today hoped to sew up the Pennsylvania championship in the second game of the East-West series with Masontown, to make it six titles for the Eastern representative.

And if the way they took Masontown over the jumps last night is just a sample, the Reds may do it.

With Lefty Joe Reedy holding Masontown to six hits, his mates banged out 16 safeties to win the series opener, 11 to 2.
